MEMORANDUM FOR: Director, Planning, Programming and Budgeting

SUBJECT : Agency Property Procurement Funding for FY 1967

1. I am still concerned over the procurement funding problems inherent in the rate at which the FE Division is requisitioning and procuring property. Based upon your 30 November report, it appears that [] anticipated from the Supplemental budget will be required to fund FE property requirements for FY 1967.

2. I know that you are equally aware of this developing shortage. I have inquired as to whether this difference could be accounted for in part by advance stockpiling in Saigon and the subbases but find this is not the case. There has been a limited amount of advance stockpiling, but its dollar value in no way equates to a considerable part of the [] As you know, it is proposed that a planning team be sent to Saigon for the purpose of establishing the systems, levels, controls and means by which support will be rendered to the Pacification Program. It is important that the levels of support be based upon agreed figures that we know we can live with both in Saigon and for the Logistics Stock Fund. I suggest we explore what additional steps should be taken on this matter.
